DETAILED ACTION

Allowable Subject Matter

1. Claims 21, 23-27, 29-32 are allowed.
2. The following is an examiner's statement of reasons for allowance:
3. 1. While US Patent No. 6,263,25 to Tan et al in view of U.S. Patent N0.3,585,601 to Lahrson et al shows an MES control system similar to the current application as applied in previous rejections, neither these reference taken alone or in combination with the prior art of record disclose "wherein said user interface function displays information on each said process tool of said plurality of process tools on a one tool per screen basis". It is this additional feature of the one tool per screen display system, in combination with the remaining elements and features of the invention, that the applicant's invention defines over the prior art of record.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
